25-cent "Danderine" will save your hair and double its beauty.

L PASOANS will be interested to know of the musical success that a former El Paso girl is attaining in New Yark. Grace Laird (who has adopted the stage name of Belle Storey), who formerly lived in El Paso for a number of years, is rapidly gaining prominence in New York city. Friday she sang at the Blitmore hotel morning musical, on the same program in which the noted Caruso appeared. Miss Laird left El Paso a number of years ago at the time of her mother's death and has been in the east since. Try this! Your hair gets soft, wavy, abundant and glossy at once.

and glossy at once.

Save your hair! Beautify it! It in only a matter of raing a little Danderine occasionally to have a head of heavy, beautiful hair; soft, lustrous, wavy and free from dandruff. It is easy and inexpensive to have pretty, charming hair and lots of it. Just get a 25-cent bottle of Knowliton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and luster, and try as you will you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only oure hair grower, destroyer of dandruff and cure for lichy scalp and it never falls to stop falling hair at once.

If you want to prove how pretty and soft your mair really is, mostem a cloth with a little Danderins and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this—Adv.
